I purchased your Joshua's solution several yrs ago for the cold sores that I get once in a while. It's awesome. I got sunburned and then it turned into sun poisoning and I decided to give Joshua's solution on the sun poisoning ..because I had heard that you could use it on poison ivy. I figured since poison ivy is a reaction similar to sun poisoning...I would give it a try. WOW...in just 24 hours it was almost gone. It is so much better. Thanks for making such a great solution.
