Dear Dr. Chernov:

Doctor's Cold Sore Solution is the best product I have ever used for fever blisters or cold sores. The results are really amazing! For years I have been plagued with frequent fever blisters, especially whenever I am exposed to the sun. I have found that not only does this solution quickly heal a fever blister, it also has a preventative action when used regularly during sun exposure.

After experiencing personal results, I am pleased to recommend Doctor's Cold Sore Solution to all my friends.

Sincerely,
