I have been using Joshua Solution since 1991. I had been using a lot of other stuff and I was frustrated because nothing seemed to work. Then I found Joshua Solution. Oh my god, it was the miracle I'd been looking for! It worked so well and so beyond anything I ever tried I just knew it was the miracle drug of the century. When I see someone with a blister I always tell them about Joshua.

Every now and then you find a "little gold" on life's journey's. Thank you for my "gold"!
